# Gurukul<sup>®</sup> Montessori School

A Senior Secondary School, Affiliated to CBSE, Delhi

Aff. No.: 2131936

School No. 70055

**GMS IS 'ONE IN A MILLION'.** We encourage positive spirit, build unique partnership among the management, parents and teachers and are equal stakeholders in moulding our children into successful and wise human beings.

**Founder Principal**  
**Alka Agarwal**

## *Welcome to* **GMS**

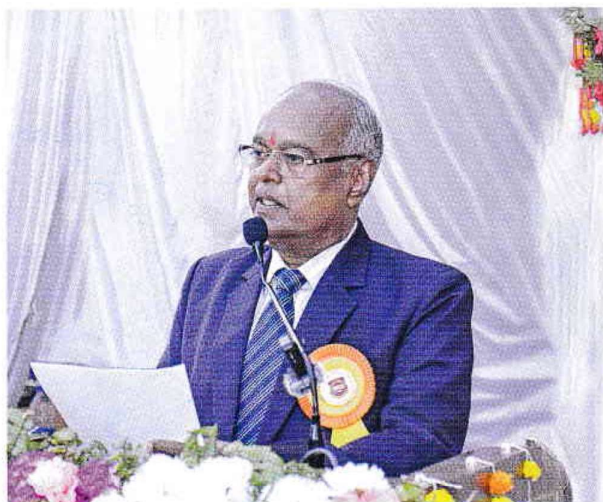

All great ideas begin with a commitment to the future. It is with a strong commitment for excellence in the field of education that Gurukul Montessori School was set up in 2010 and has stepped into the 14th glorious year.

This is due to the hard work, perseverance and dedication of the management, teachers and the entire fraternity of the GMS, that today we are a Senior Secondary School affiliated to CBSE, Delhi and are steadily progressing towards our goal. We are proud to say that we have given 100% result in Class X & XII Board Examinations.

## About MANAGEMENT

**Founder & Chairman**

**Manager**

Mr. Kripa Shankar Singh is the founder and chairman of the school. He is a retired IPS officer. His entire life is spent in dedicated service to the nation with utmost sincerity and righteousness. Lofty and sublime standards have become part and parcel of his life. He doesn't accept anything below these standards. On that, his son, Mr. Abhishek Singh and his daughter-in-law Mrs. Durgashakti Nagpal also happen to be IAS officers. The foundation of the school was laid with such phenomenal ideals at the background. When school is founded with such extraordinary brain and transcendent philosophy of Education, the products of such school are bound to be distinguished.

Beside a strong patron, we have the 'Hallmark of Resilience', Mrs. Pramila Singh, the manager of the school and the life partner of our respected Chairman Sir. The 'invincible' in her, has conquered the adversity at both the fronts, domestic and professional. She has constantly encouraged the young minds to give a free rein to their imagination and nurture a creative spirit. The efforts to pair creativity with education enhance the impact of learning experience. With her at the helm, the ship of our school sails ahead through the drifts of time.

# Why Choose GMS

School is not simply about academic achievements. True education feeds both body and mind. So, G.M.S is committed to build physically as well as mentally strong, intelligent, creative and happy individuals. We are a 'STEAMS school which is working for the development of Science, Technology, Engineering, Art, Mathematics & Sports.

GMS has an extraordinary blend of Indian Culture and Contemporary Education. To imbibe leadership skill besides acquiring the best academic level, we have introduced House System comprehensively, where in enough scope is given to the students to participate in various co-curricular activities like music, dance, art, games, elocution and many more alongwith academics. Besides internal activities & competitions, our students participate in various inter school competitions and come back with laurels. We give them space to participate in all the activities suggested by CBSE. This enables them to develop their skills thoroughly and to bring out the best in each student. NCC and Scouts & Guides are also running in our school. It promotes unity and discipline and further helps to enhance the personality of our students. We are proud to say that GMS has been crowned as 'Fit India School'. In tandem with our ambitious dream project, the edifice of our school having striking architecture has been meticulously erected. It has grand and unique academic block, science lab, Robotics and Atal Tinkering lab, auditorium, shooting range, gymnasium, basket ball, table tennis, martial art, boxing court, library & spacious ventilated classrooms.

Our vision is not merely a statement; it's a compass guiding us towards a future where education transcends boundaries and empowers students to reach their full potential. At GMS, we envision a learning environment that fosters curiosity, critical thinking, and creativity. Our commitment to academic excellence is complemented by a dedication to nurturing well-rounded individuals, instilled with values that extend beyond the classroom. We envision as a hub of ideas, a place where students are not just consumers of knowledge but active contributors to the ever-evolving landscape of education.

With a view to nip the probable health hazards in the bud, the school provides purified drinking water. To keep the school compound clean and tidy, hygienic toilets and washrooms have been provided for the students. We are going to install the Solar Power Plant for uninterrupted power supply. Thus GMS will soon be the Green Energy School.

## Admission

- Admission is based on merit. Written test is conducted for the selection of the students.
- Parents seeking admission must give correct date of birth supported by birth certificate at the time of admission. Once the name and date of birth is recorded in the admission register, the same cannot be changed as per CBSE by-laws under any circumstances.
- School fees are to be borne by the Parents/Guardians for one full academic session i.e. from April to March.

**New Session:** Classes for the new session begin from 3<sup>rd</sup> of April, 2024.

"The aim of education is not the knowledge of facts but of values."

We at GMS aims to draw out the capabilities in a child, which are waiting to be developed. We do not feel satisfied with the high achievements of only of few but we aim at the high achievements of every student and good learning in every field.

**Principal**  
**Amita Mishra**

The golden years in school are not about lessons and homeworks but about growing and excelling in every way possible, to fit into the fast changing and fast progressing world. Today's change is bigger than previous years. We are witnessing unparalleled changes in every field where there is struggle for existence where the strongest and fittest is accepted and appreciated.

GMS undertakes the challenges task of moulding the young impressionable, minds into valuable assets of the society. Precious gift of mankind and Pride of human race.

**Dr. Vandana Singh**  
**(VPSC)**

# Our ENDEAVOUR

**Empowering Academic Excellence** : At GMS, our foremost motto is to provide an exceptional academic environment that nurtures intellectual curiosity, critical thinking, and a passion for lifelong learning.

**Fostering Character Development** : We are committed to shaping not only bright minds but also compassionate and ethical individuals. Our goal is to instill values that guide our students to become responsible and empathetic global citizens.

**Cultivating a Culture of Inclusivity** : Diversity is our strength. We aim to create a welcoming and inclusive community where every student feels valued and respected, fostering an environment that celebrates differences and encourages collaboration.

**Embracing Innovation and Creativity** : In an ever-evolving world, we aspire to equip our students with the skills necessary for success. Our motto is to foster a culture of innovation and creativity, preparing students to tackle challenges with ingenuity and adaptability.

**Community Engagement and Service** : Building strong ties with our local and global communities is a priority. We strive to cultivate a sense of social responsibility and encourage our students to actively engage in service initiatives that contribute positively to society.

**Nurturing Holistic Development** : Beyond academics, we are dedicated to the holistic development of every student. Our aim is to provide a well-rounded education that includes sports, arts, and extracurricular activities, ensuring each student discovers and nurtures his/her unique talents.

Our aim is to transform the students into global citizens. They will be the torch bearers and spread the light of values and ethics over the mankind.
