Annual Report -2023-24

"The whole purpose of education is to turn mirrors into windows." At Gurukul Montessori School, Prayagraj, we strive for excellence with sincerity of purpose, independence of thought, and action among our children, and developing sensitivity to others' well-being and feelings.

Our school is an example of what leadership with vision, commitment, and discipline can achieve. Looking back at our journey in serving the cause of education since 2010, we are both happy and proud at the thought of the memorable milestones we have reached.

ACADEMIC ACHIEVEMENTS

Academic achievements reflect the diligence and skills to perform to the best of one's ability. The sincere efforts of students, teachers, and school brought laurels in the CBSE exam.

We are proud to report that the 2023-24 batch of X and XII Standard students have given one of the best results among the top schools of Prayagraj. We congratulate Ayush Chandra and Garima Mishra, who have secured 98% and above in the X Board Exam. Gurukul Montessori is the only school in Prayagraj district to have three students score above 97% marks in the class X board exam.

From class XII, we congratulate Anjali Maurya from stream Humanities and Sarthak Shukla from Stream Commerce for securing approximately 95% marks. We also extend our heartiest congratulations to Khushi Yadav, Divyanshu, Pragya Dwivedi, Kajal Shukla and many more for their meticulous performance.

This achievement was possible due to the continuous efforts of our dedicated teachers under the supreme guidance of our Honourable Chairman. The credit for the excellent performance is attributed to new initiatives such as achievers and remedial classes, which were conducted regularly apart from the regular class study schedule.
